

Wirksworth Civic & History Society

Newsletter – December 2006

Our thanks to those of you who have rejoined the Society this season.

We hope that the remainder will take this opportunity to do so now by completing and returning the enclosed slip. Thank you.

The Society continues with its programme into the New Year and otherwise attempts to keep a 'watching brief' on developments.

We are particularly concerned about the county's plan regarding the siting of the waste management development on Cromford Road.
Our response has been sent in.

Other concerns are the square by the churchyard, the condition of the Town Centre and buildings in the Conservation Area, and the proliferation of road signs.

Finally, we plan to address the Civic Society's Town Trail as a major new development.

If you have any concerns about YOUR Town, do join us in our activities.

Best Wishes,

Yours sincerely,

Colin Pidgeon, Chair
