

New Treasurer Needed!

Our longstanding Hon. Treasurer Tony Briggs retired from office at the Society's AGM on Tuesday 12th April 2005, after a tremendous thirty years' service. His contribution will be greatly missed. Our thanks go out to you Tony.

At the AGM, Hon. Secretary Graham Barfield presented Tony with a grand paper knife and a certificate commemorating his work.

The Society is now in great need of a new Hon. Treasurer. Graham Barfield is kindly stepping in until a replacement for Tony can be found.

If you have some time to spare, and feel confident juggling figures, please contact us to volunteer for the role.

New committee and Society members are always very welcome.
